

TOGETHER, WE CAN STOP YOUTH HOMELESSNESS IN ITS TRACKS.

Your partnership with WNYH means that as a community we are taking strong action against the growing issue of homelessness in Brantford. It means that together, we commit to addressing homelessness at its source by working with youth caught in the cycle of poverty and trauma. By breaking down barriers that would otherwise keep these youth on the street and in need of social assistance and investing in the most vulnerable members of our community, we are making Brantford a better, safer place to live.

Our flagship young men's home is located near Brantford's core, just a few minutes walk from Why Not Youth Centre. This location will provide quick and easy access to Why Not's staff and resources as needed.

Your business partnership means we can get this necessary housing program off the ground.

It means we can open more houses down the road.

It means we can continue to offer hope to youth in Brantford who have nowhere else to turn.

Our Corporate Partnership Program offers a variety of touchpoints and recognition opportunities to showcase your organization's commitment to empowering our youth.
